

Welcome to St. Mary's Church Scavenger Hunt! The following is intended for school age children (there are anagrams for the big kids), to explore some of Walkley's places, parks and streets, and earn a small Easter treat provided by Gerry the Baker. The suggested route is 1 mile and the hunt should take anywhere from 30minutes to 1.5hrs to do. There are different types of questions and challenges of varying difficulty. The CAPITAL LETTER clues are anagrams (jumbled up letters). For some questions there are no 'right' answers, for others, the answers are provided at the end. We encourage you to share some of the photos you may have collected on social media using the tag #WalkleyHunt - the links to St. Mary's social media are below. We hope you enjoy and ... Happy Easter!
